As tuition covers only a portion of the actual cost of the education of each child, it is crucial to the success of St. John Neumann Catholic School (SJNCS) that every family recognize the needs of their school and volunteer their time, expertise and talents for the betterment of our school community. All parents are encouraged to help secure donations, sell tickets, and promote the fundraising activities. The Volunteer Log Book is maintained at the school office.

- We require a minimum of 30 volunteer hours per SJNCS Family.
- Preschool families are required to volunteer 10 hours.

BINGO

Each SJNCS family is expected to volunteer 20 hours toward the Bingo Fund Raiser.

Our School Board of Directors Members, Staff, and Parents operate the Sunday Bingo at the Eagles Lodge #145 located at 1615 S. Prairie Avenue. The Bingo Games are scheduled for every Sunday, excluding Easter Sunday and Christmas, if it falls on a Sunday. If Bingo falls on a holiday weekend, double hours (10 hours) are recorded for your time. The Sunday Bingo is a vital source of funding for our school and requires that we all are scheduled to work the necessary positions to maintain the Bingo operation. Each Bingo Session is to have a licensed Bingo Games Manager, a Caller, a Cashier, and helpers with the Pull Tab Games, Progressive Game Sales, etc.
